

## My Most Influential Mentor

Each year, students have the opportunity to honor a mentor who has been particularly helpful, motivational or inspirational in their pursuit of the arts. The person you choose may be a teacher in your major discipline or it could be someone who has been an encouragement to you. Perhaps it's the person who first opened your eyes and heart to the world of the arts and who has been an inspiration.. This year, the mentors will be recognized at a luncheon on Saturday, July 11, at West Liberty University. Please speak with the person you wish to honor, inviting him/her to the event. You also need to get the following information.
